

2025 – Lab Exam 03 Report

Student ID	IT23858398
Batch	4.1
Marking Guide	
1. Functionality: How well the core and bonus features are implemented	3
2. Creativity & User Interface Design: Clean and intuitive UI/UX design	2
3. Code-Quality & Organization: Code is well-organized & documented	2
4. Advanced Features & Data Persistence: Usage of SharedPref's with one of the advanced features	3
Total Marks	10
Evaluator	

One Drive Link - PRIME APP LINK [click here](#)

Description:

This application is a personal wellness assistant that helps users develop and maintain healthy daily routines. It features a Daily Habit Tracker for monitoring habits, a Mood Journal with an emoji selector for recording emotional states, and a Hydration Reminder system to encourage regular water intake. The app provides a clean and intuitive user interface, adapts to various screen sizes, and offers customization options such as dark mode and adjustable reminder intervals. User data and preferences are securely stored using Shared Preferences, ensuring persistence across sessions. The application is designed to be user friendly, reliable, and supportive of holistic wellbeing, making it a valuable tool for anyone seeking to improve their daily lifestyle.
